## INDUSTRY DAY

FRIDAY 23 FEB AT HPPH

Take your first or next steps towards a career in the screen industries with INDIs Film Fest, Screen Yorkshire and Screen Alliance North.

Hear from industry professionals about where to find funding for your projects, how to get your work seen by audiences and distributors as well as learning key skills about how to behave on set, and develop your craft.

You'll also get a chance to hear all about Virtual Production from one of the leading VFX houses in the North of England, while getting to meet and chat to other filmmakers at similar stages in their career.
